

6th Class Song

2019/2020

You probably already know that it is a 6th Class tradition to create a special 6th Class song. Even though this school year is turning out a little bit different than normal, we still want to keep that tradition going!

Ms. Higgins, Mrs. Gaffey and (Music)
Ms. Higgins would like you to start
thinking about choices for your 6th
Class song NOW! 😊

Every year, we...

- Brainstorm song ideas.
- Choose a suitable song from the list (teachers have input on this!)
- Change some of the lyric to create a song that is special and unique - just like our class!

To get an idea of what a 6th Class
song might look like, have a look at
the lyrics from 6th Class song
2018/19!

6th Class Song 2018/19
Sang to the tune of 'High Hopes' by Panic! At the Disco

High, high hopes

Had to have high, high hopes for our learning,
Shooting for the stars when I couldn't write an essay,
Words are on my mind, but I always have a vision,
Always have high, high hopes

Got to have high, high hopes for a living,
Teacher said we were very good children,
I'm gonna be that one in a million,
Always have high, high hopes

Teacher said enjoy your time here
Do something greater
We will make a legacy
We will make history
Back in the days
We learnt everything, learnt everything

Teacher said
Do your geography
Rewrite that sentence please
Light up your wildest dreams
Start your studying, everyday
We learnt everything, learnt everything

Teacher said, don't give up, it's a little complicated
All messed up, no more sums and I'd hate to see you strugglin'

Had to have high, high hopes for our learning,
Shooting for the stars when I couldn't write an essay,
Words are on my mind, but I always have a vision,
Always have high, high hopes

Got to have high, high hopes for a living,
Teacher said we were very good children,
I'm gonna be that one in a million,
Always have high, high hopes

Teacher said
Take opportunities
6th Class memories
Be what you wanna be
Have positivity
Don't ever change
We can be anything, can be anything

Stay up on that rise
Stay up on that rise and never come down, oh
Stay up on that rise
Stay up on that rise and never come down

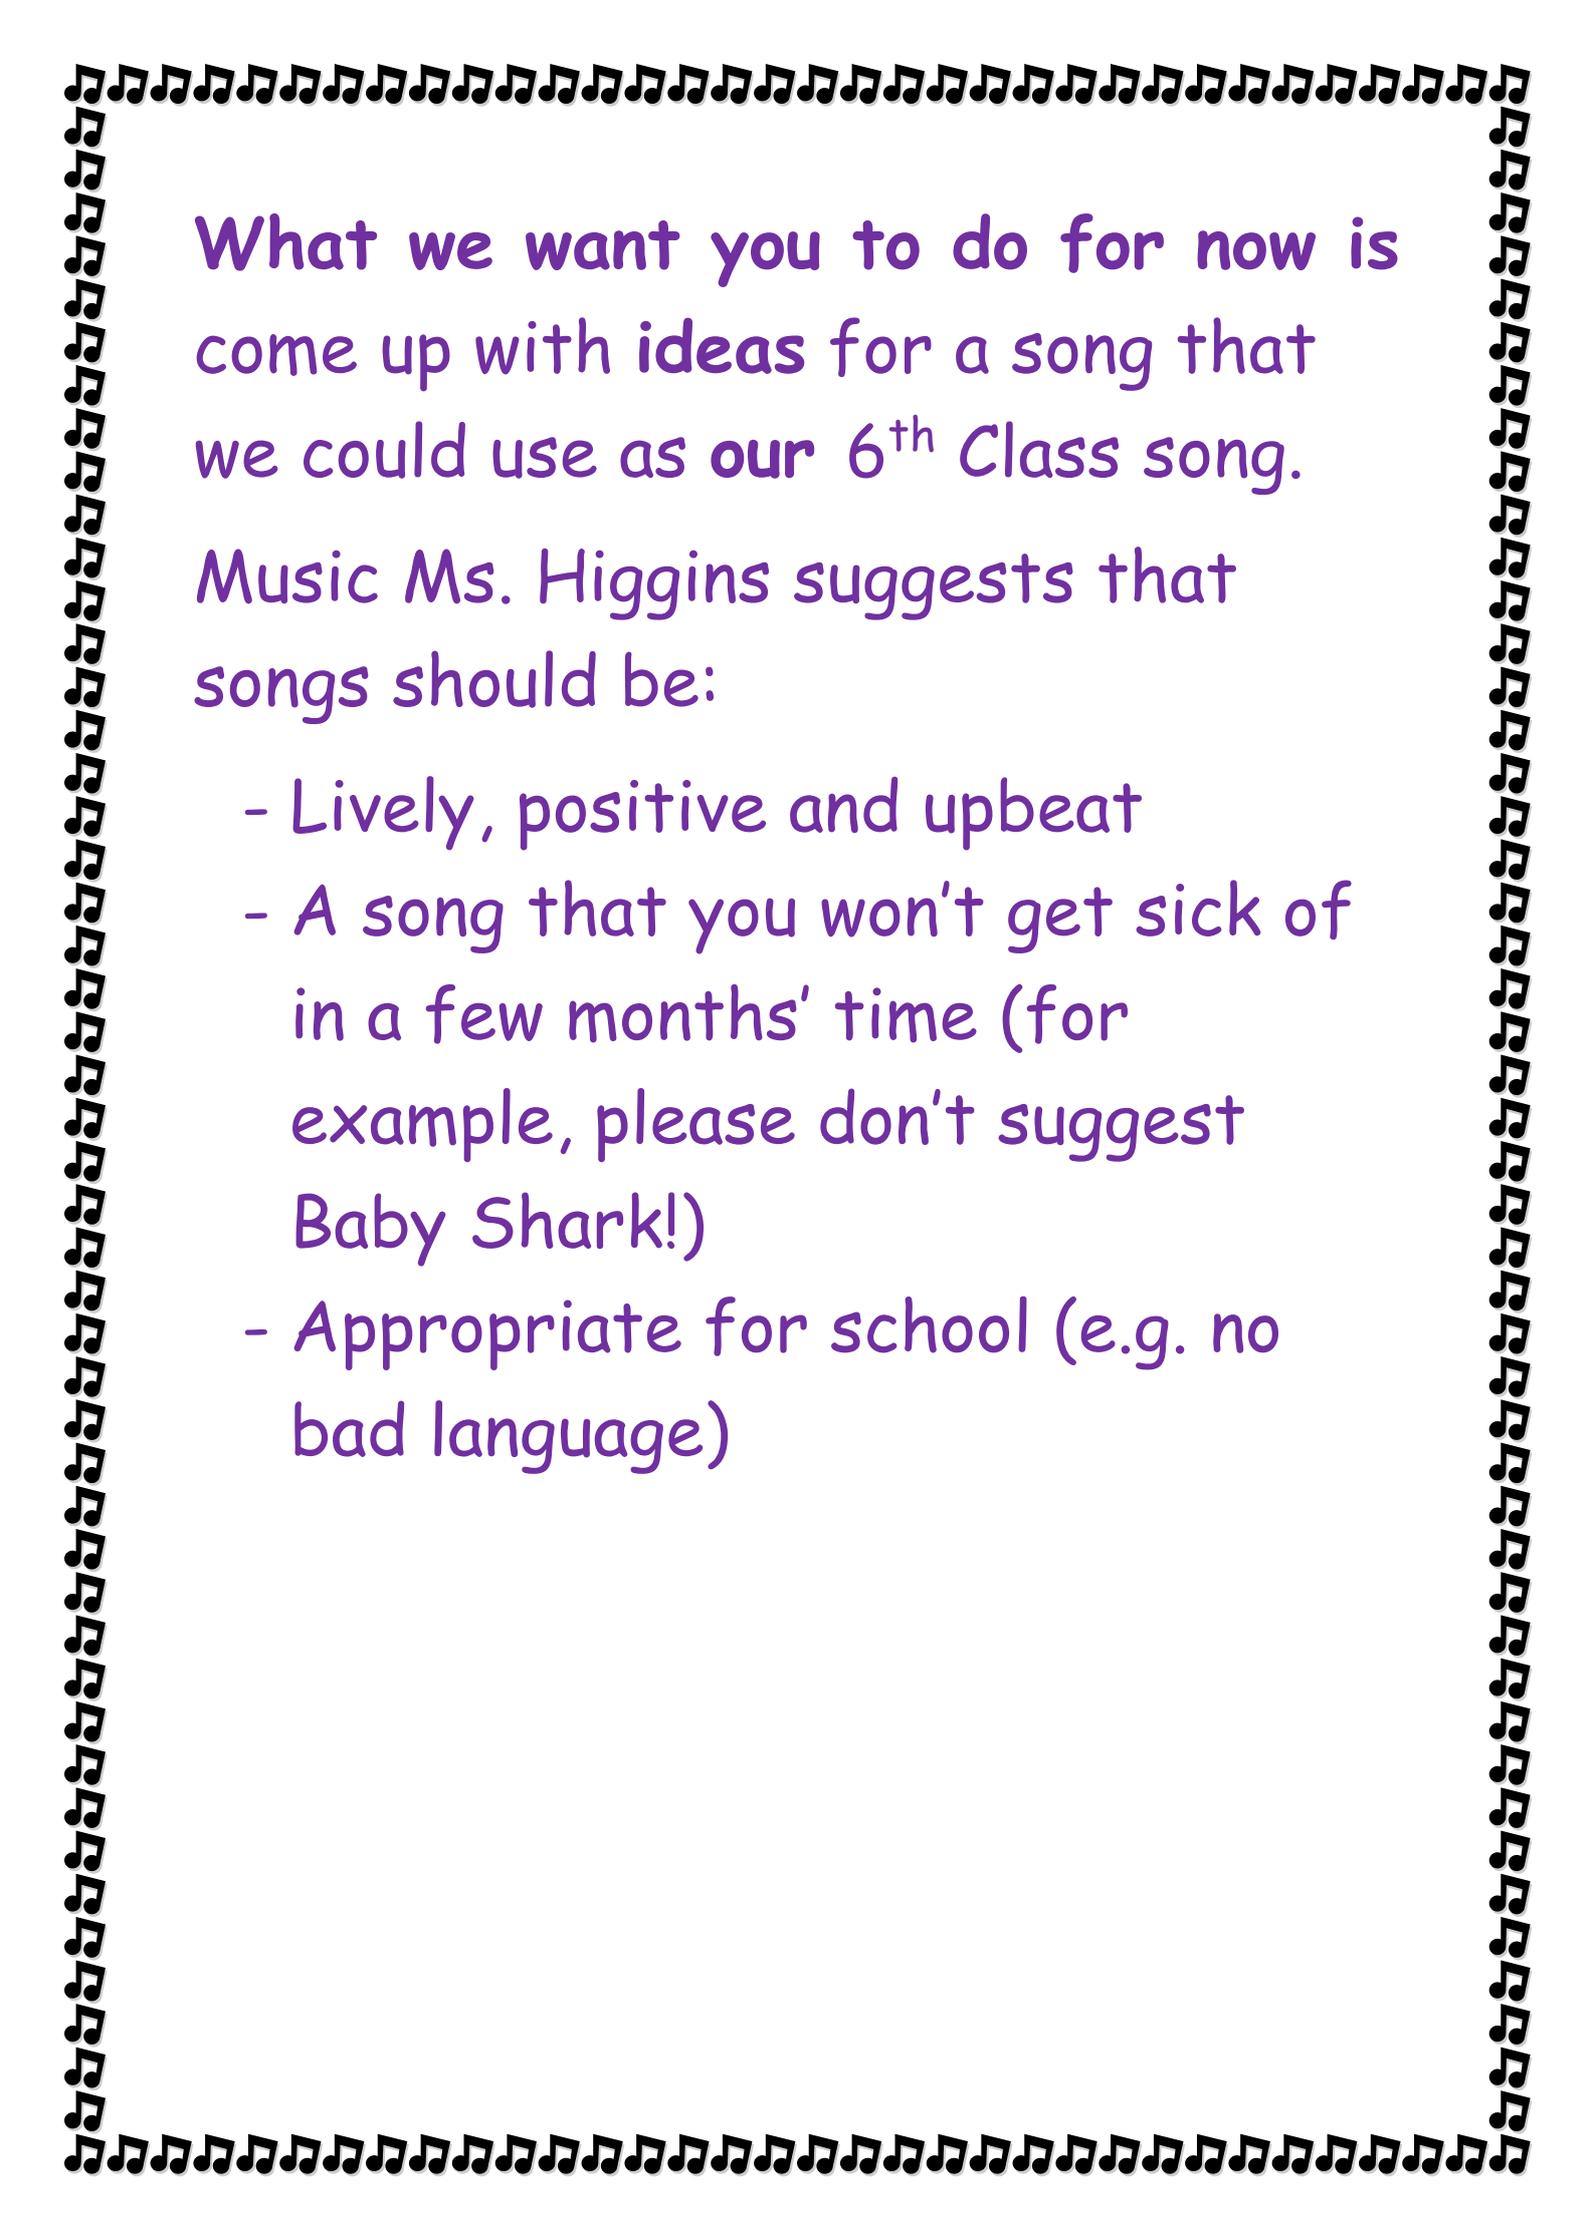

Teacher said, don't give up, it's a little complicated
All messed up, no more sums and I'd hate to see you strugglin'
They say it's all been done but they haven't seen the best of me-e-e-e
So I've got one more sum and it's gonna be right you see-e-e-e

Had to have high, high hopes for our learning,
Shooting for the stars when I couldn't write an essay,
Words are on my mind, but I always have a vision,
Always have high, high hopes

Got to have high, high hopes for a living,
Teacher said we were very good children,
I'm gonna be that one in a million,
Always have high, high hopes

Had to have high, high hopes for our learning,
Shooting for the stars when I couldn't write an essay,
Words are on my mind, but I always have a vision,
Always have high, high hopes

Got to have high, high hopes for a living,
Teacher said we were very good children,
I'm gonna be that one in a million,
Always have high, high hopes

What we want you to do for now is come up with ideas for a song that we could use as our 6th Class song.

Music Ms. Higgins suggests that songs should be:

- Lively, positive and upbeat
- A song that you won't get sick of in a few months' time (for example, please don't suggest Baby Shark!)
- Appropriate for school (e.g. no bad language)

Have a think about this over the next couple of weeks and send on suggestions to Ms. Higgins and Mrs. Gaffey. After Easter, we will choose a song. Then we will look for suggestions from all of you for changing the lyrics to suit our class and our school!

This is always an enjoyable activity and this year will be no different! We can't wait to hear your brilliant suggestions!

Mrs. Gaffey, Ms. Higgins and Ms. Higgins 😊
